Net weight	6 g
Gross weight	8 g
EAN code	5901720138309
Warranty	24 months
Pin Length	12 mm

Description

The **Akyga® AK-ND-C17 USB-C adapter** is a practical accessory that allows you to charge older **HP** and **ASUS** laptop models with a **4.8x1.7 mm** port using a **USB-C PD** charger. This way, if you lose or damage your old power adapter, you can replace it with a new universal USB-C power adapter. In this way, we can charge almost any electronic device using a single charger, which definitely simplifies the daily handling of your equipment and saves space in your backpack or bag when travelling. With this adapter, we no longer have to move around with several chargers, as this one charger is able to handle multiple devices. This is ideal for people who travel or work in different locations. The Akyga® AK-ND-C17 USB-C adapter is a reliable product that is sure to make our lives more comfortable and efficient.

It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.
