Adapter
Model: **AK-ND-C12**

Product code	AK-ND-C12
Product type	Adapter
Output voltage	18.5 - 20 V
Output amperage	max. 5 A
Maximum power	100 W
The cable plug #1	USB type C
The cable plug #2	7.9 x 5.5 mm + pin
Product size (L x W x H)	39 x 25 x 13 mm
Package size (L x W x H)	97 x 70 x 14 mm
Net weight	7 g
Gross weight	9 g
EAN code	5901720138255
Warranty	24 months
Pin Length	12 mm

Desctription

The **Akyga® AK-ND-C12 USB-C adapter** is a practical addition to older **Lenovo** laptop models. It allows you to charge your portable computer with a **7.9x5.5 mm connector** using a **USB-C PD** charger. This way, if you lose or damage your old power adapter, you can replace it with a new universal USB-C power adapter. In this way, we will charge almost every electronic device with a single charger. This greatly simplifies the daily use of your equipment and saves space in your backpack or bag when travelling.
It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.
