

Adapter

Model: **AK-ND-C01**

Product code	AK-ND-C01
Product type	Adapter
Output voltage	18.5 - 20 V
Maximum power	100 W
The cable plug #1	USB type C
The cable plug #2	5.5 x 2.5 mm
Product color	Black
Product size (L x W x H)	38 x 24 x 10 mm
Package size (L x W x H)	97 x 70 x 11 mm
Net weight	5 g
Gross weight	7 g
EAN code	5901720138149
Warranty	24 months
Pin Length	12 mm

Description

Akyga® AK-ND-C01 is an extremely functional **laptop adapter**. It is made to charge laptops with a **5.5x2.5 mm connector** using a universal power adapter with a USB Type C plug. Thanks to its compliance with the **Power Delivery standard**, the adapter will allow you to charge your laptop with a **voltage between 18.5 V and 20 V** and **up to 100 W** of power. This is the perfect way to take advantage of the facilities offered by the USB-C charger! What's more, thanks to its small size and light weight, the adapter will fit perfectly into any luggage. Therefore, if you own an ASUS, Acer, Toshiba or HP laptop with a 5.5x2.5mm input, the USB-C adapter will be the perfect addition to your equipment.

It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.
