	REACH compatibility	Yes
Warranty 24 months	EAN code	5901720130136
	Warranty	24 months

Description

Akyga® AK-USB-01 is a cable with a length of 1.8 m enabling connection of devices equipped with USB A and USB micro-B connectors in the USB 2.0 standard. The product is used in power supply and two-way data transmission - to and from the output device.

Cables of this type are commonly used for chargers, powerbanks, smartphones and other devices and accessories, currently very often equipped with a micro-B USB port. The cable not only power supplies them, but also can be used to exchange data between them and the computer or laptop.
