Product size (L x W x H)	200 x 150 x 20 mm
Package size (L x W x H)	250 x 180 x 21 mm
Net weight	70 g
Gross weight	81 g
EAN code	5901720136770
Warranty	24 months

Description

High quality **1.5 m cable Akyga® AK-AV-17** is an ideal solution for owners of older monitors. On one side it has been terminated with the older type of **VGA connector**, which is still present in monitors and projectors in many businesses and homes. On the other side is the new **USB-C connector**, which is used in modern computers and small mobile devices. This advanced connector makes it possible to connect not only a laptop, but also a tablet or smartphone with Alt Mode support to the monitor. However, gold-plated connectors guarantee a good connection and excellent image quality with a maximum resolution of **Full HD 1920x1080 pixels** and a refresh rate of **60 Hz**.
