

# VR CABLE

COMPATIBLE WITH VR HEADSETS

## PRODUCT FEATURES:

- Increased durability and resistance to breakage thanks to the robust braided cable and strong aluminum connectors with extended rubberisation.
- Capable of charging at up to 60W (using the charger) and transfer speeds of up to 10 Gbps.
- Even simpler cable routing with hook-and-loop fasteners included.

## PRODUCT SPECIFICATION:

<b>Connectors</b>	USB Type-C
<b>USB Version</b>	3.2 Gen 2x2
<b>Cable length</b>	300 cm
<b>Fast charging technology</b>	Quick Charge 3.0, Quick Charge 4.0, Power Delivery
<b>Maximum charging power</b>	60 W
<b>Shielding type</b>	Double shielding
<b>Max video resolution</b>	3840 x 2160 px
<b>Transmission speed</b>	10 Gb/s
<b>Assembly of the connector</b>	Nickel
<b>AWG</b>	24 + 30
<b>Wire braid</b>	Cloth cable
<b>Colour</b>	Black, Dark grey
