

AC/DC adapter

Model: **AK-PD-25**

Product code	AK-PD-25
Responsible Entity	Akyga Europe Sp. z o.o., 52-200 Suchy Dwór, Wrocławska 1c, Polska/Poland, contact@akyga.com
Product type	AC/DC adapter
Compatible with	Hoover H-Free
Supply voltage	100-240 V
Power consumption	< 0.6 A
Output voltage	26 V
Output amperage	0.4 A
Power supply connector	5.5 x 2.1 mm
Cable length	1.8 m
Maximum power	13 W
Mechanical switch	None
Ground wire	None (II protection class)
OVP	Yes
OCP	Yes
OTP	Yes
Pin Length	11 mm
Material	ABS
Product color	Black
MTBF	100000 h
Temperature	5 - 50 °C
Package	EcoBox
Product size (L x W x H)	92 x 76 x 34 mm
Package size (L x W x H)	180 x 100 x 40 mm
Net weight	101 g
Gross weight	137 g
CE compatibility	Yes
FCC compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720139597
Warranty	24 months

Description

The **Akyga® AK-PD-25 charger** is designed for charging the **Hoover H-Free 100** cordless vacuum cleaner. It is the perfect solution if the original power supply has a broken cable or damaged plug. It has been designed to quickly and easily restore the full performance of your cordless hoover. The charger provides reliable charging for appliances with technical requirements of **26 V** and **500 mA**.

Parameters Tailored to Hoover H-Free Devices

The charger guarantees full compatibility with the **Hoover H-Free 100 model HF122RH, HF122GPT and HF122GH**, providing stable and safe charging with **13 W** power and a **5.5x2.1 mm plug**. Precisely adjusted parameters protect the battery from overcharging and allow the equipment to be quickly prepared for use. A practical solution for every situation.

Freedom and Convenience of Use

The **1.8 m cable** enables convenient connection of the charger to the Hoover H-Free vacuum cleaner, ensuring freedom of use. This thoughtfully designed product, created with daily use in mind, is perfect for users who value comfort and simplicity.

Safe and Efficient Charging

The charger is equipped with advanced safety features that protect your equipment from overvoltage, overheating and short circuits. So you can be sure that your Hoover H-Free 100 is always charged safely and optimally, which has a positive effect on the battery life and performance of your appliance.

The Indispensable Hoover Charger

Whether your original power supply has broken or you need a backup power source, the Hoover H-Free 100 charger is a reliable choice. Thanks to its high-quality construction and reliable technical performance, it always ensures that your vacuum cleaner is ready for use. It is a practical accessory that will make your daily cleaning easier.
