Description

Akyga® AK-USB-70 is a **silicone USB-C cable** that combines modern design with practical application. Its **pastel purple color** adds character and makes the cable stand out from traditional accessories. It is ideal for everyday charging of smartphones, tablets, and laptops, as well as for fast data synchronization.

Fast charging and data transfer

The **1 m USB Type-C cable** is USB 2.0 compliant and **supports up to 60 W** of charging power with Power Delivery technology. This allows for fast and safe charging of devices such as laptops, phones, and wireless headphones, as well as data transfer.

Silicone coating — comfort and durability

The soft **silicone insulation** makes the cable flexible, resistant to bending, and comfortable to use. It does not get tangled, making it perfect for travel.

Universal USB C cable

The Akyga® AK-USB-70 **purple USB-C to USB-C cable** is the ideal choice for those who value aesthetics and reliability. It is compatible with smartphones, tablets, power banks, and modern laptops of various brands, providing convenience in every situation. It also supports fast-charging standards such as Quick Charge, Apple 2.4A, and Power Delivery.
