Description

The Akyga® AK-USB-71 is a unique **USB-C to Lightning cable** that combines modern design with excellent functionality. Its delicate **pink colour** gives it an elegant look and makes it stand out from typical cables. With a **length of 1 metre**, it is ideal for everyday use at home, in the office or when travelling.

Fast and safe charging of iPhone smartphones

The AK-USB-71 **Lightning to USB-C cable** supports **up to 30W** of charging power, allowing you to take full advantage of Apple 2.4A Charging and Power Delivery technology. It is the perfect solution for those who value time savings and reliability.

Stable data transfer

In addition to **fast charging**, the cable enables efficient data synchronisation — you can easily transfer photos, videos or documents between your iPhone, iPad and computer.

Silicone coating for comfort

The soft **silicone insulation** makes the cable flexible, resistant to kinks and pleasant to the touch. It does not get tangled, making it a great travel companion.

USB C - Lightning cable compatible with Apple devices

The Akyga® AK-USB-71 **USB Type C - Lightning cable** is fully compatible with iPhones, iPads and Apple accessories. It is suitable for both charging and data synchronisation, ensuring maximum convenience of use.
